Financial Remedies under the Family Procedure Rules is the authoritative guide to financial applications under the new unified procedural code. The book contains expert commentary and guidance written by the At A Glance Editorial Team, covering all the parts of the 2010 Rules relevant to money cases together with the full text of the relevant Rules and the associated Practice Directions. The book groups together the commentary, Rules and Practice Directions for each part so that you can quickly find out what you need to know, whether you are applying for a lump sum, enforcing an order or instructing an expert witness. This unique focus, the authority and expertise of the editorial team, and the updating available through the website, will ensure that Financial Remedies under the Family Procedure Rules swiftly becomes a core reference source for the family lawyer. The content of this book has been adapted from resources available in the @eGlance software, also available from Class Legal. @eGlance provides access to these materials, plus an array of useful tools and calculators for financial remedy lawyers. Includes updates on www.familyprocedure.com All purchasers of the book also have access to www.familyprocedure.com – where we will update the commentary as changes to the Rules are introduced over the next 12 months. Links to sources cited in the text are included and you can sign up to our free monthly email newsletter to alert you to any changes as they are published.
