I believe that God speaks. Sometimes audibly, sometimes in other equally discernible ways, but God speaks to His children today. I also believe that most of the Christians I know don't really hear Him. Many read His Word faithfully, and in that they discern much about His will for us. But very few actually hear their Father in Heaven speak His restoration, His peace, His joy and His sorrow into their lives. That's why I wrote this book. Hearing His Voice is now supported by the Shulammite.com website. Journeyers through the book can share their insights and questions by way of a chapter-by-chapter series of forums.
