Alexandra Kosta once knew beauty and privilege as stepdaughter to the Fae king, until he banished her and scarred her for life. Now working as a bounty hunter, she's tasked with hunting down sexy werewolf Dominic Farrell. But Dominic is also part incubus, possessing the power to seduce any woman into doing his will.

When Alex is injured on the job and Dominic takes her back to his lodge, he agrees to release her—if she will share his bed first. Unlike most men, he doesn't recoil after seeing Alex in her natural state...and she cannot deny their overwhelming attraction.

But in order to save herself she has to turn Dominic over to the enemy. Can she destroy the one man who loves her as she is?
