The Tatter's Treasure Chest (Dover Knitting, Crochet, Tatting, Lace)

The art of tatting has produced some of the most beautiful, imaginative, and intricate designs in the history of needlework. Over 100 of the best of those designs — many of them overlooked and out of circulation for generations — have been selected for this unique collection from the pages of long out-of-print thread company leaflets of the 1920s, 30s, 40s, and 50s.

The designs range from tiny coasters to a handsome checkerboard luncheon set and include elegant collars, elaborate tracery patterns for doilies and luncheon mats, and delicately beautiful edgings for pillowcases, guest towels, and table mats. Among the highlights: a distinctive Victorian tray mat, a handkerchief with a butterfly corner, heirloom baby caps and bonnets, a sunburst doily, and a spectacular jabot collar.

This rich treasury of tatting classics, complete with full instructions and a photograph of each creation, offers needleworkers a dazzling assortment of time-honored designs that are ideal for home, family, and personal use, and perfect as gifts that exquisitely display the giver's needlework expertise.
