Don't settle for ordinary. It's time to move into the miraculous life that comes with following God.

It is easy to see that things in our world must change. Our nation, our communities and even our churches too often are heading in the wrong direction. Most importantly, we ourselves need to change if we want to have the kind of impact our world needs. But in spite of all the good it brings, change can be uncomfortable and even frightening.

A God-Sized Future inspires you to embrace the life God desires for you. Sharing relevant stories from the Bible and his own personal experience, Ron Phillips challenges you to move out of your comfort zone and shows you how to:

- Determine the right time for change
- Allow God to initiate change
- Harness supernatural change through a Spirit-controlled mind
- Pursue a life of radical obedience

The difference between an ordinary and an extraordinary life is the choice to obey God. Get ready for a change that brings transformational renewal.
