Children Of The Great Depression: 25th Anniversary Edition Glen H Elder

In this highly acclaimed work first published in 1974, Glen H. Elder Jr. presents the first longitudinal study of a Depression cohort. He follows 167 individuals born in 1920–1921 from their elementary school days in Oakland, California, through the 1960s. Using a combined historical, social, and psychological approach, Elder assesses the influence of the economic crisis on the life course of his subjects over two generations. The twenty-fifth anniversary edition of this classic study includes a new chapter on the war years entitled, “Beyond Children of the Great Depression.”
