Does Christ still heal? Yes, He does, and in this book you will learn how the atonement of Christ not only provided for spiritual healing, but physical healing as well.

Honest physicians will tell you they possess only the power to assist nature; they do not have the power to heal. When sickness and disease have advanced beyond the power of nature, only Christ can heal the one who is suffering.

“Apostle Spellman not only knows Christ as His Lord and Savior, He knows Him as his divine healer. He has written on this subject as the result of his third healing, and now the Lord has allowed him to share his story with readers, so that they, too, may claim their healings.” - Pastor Steven E. Butler, House of Deliverance, Church of God in Christ
