God in the Mirror: Discovering Who You Were Created to Be Miles McPherson
Image is everything.

It's tempting to define ourselves according to the cultural icons of our day. But human beings were created in the image of God. And if we really take that truth to heart and live our lives in light of it, everything changes.

If you want to know how you were created, why you were created, what your true purpose is in life, and how to live according to God's original plan, *God in the Mirror* is for you. Miles McPherson reminds you that you not only have the capacity to reflect God's heart to the world, but that God has designed and empowered you to do so. And when we live more and more as His image bearers in this world, we begin to experience transformed relationships with each other--and with God.

"If you look in the mirror and don't like what you see, chances are you need to adjust your view. *God in the Mirror* will help you see yourself through God's eyes and motivate you to reflect his light to others."--Craig Groeschel, senior pastor, LifeChurch.tv; author, *Soul Detox*

"In this helpful book, Pastor Miles shows us that unless we see ourselves biblically we will have a false identity that leads to a life of misery."--Mark Driscoll, founding and preaching pastor, Mars Hill Church; *New York Times* bestselling author

"Miles McPherson's unique take on 'made in the image of God' delivers on the promise found in the book's title. No one who reads this will ever look in the mirror and see themselves the same way again."--Dr. Tony Evans, bestselling author of *Kingdom Man*

Miles McPherson is the senior pastor of Rock Church in San Diego, which has grown to an average of 12,000 with more than 120 volunteer-led community ministries.
