## **Harlan Ellison's Movie** Harlan Ellison

Herein lies in written form *Harlan Ellison's Movie*, the full-length feature film Ellison created when a producer at 20th Century-Fox said, "If we gave you the money, and no interference, what sort of movie would you write?" Well, that producer is no longer at the studio; he left the entire venue of moviemaking after *Harlan Ellison's Movie* was seen by the Suits. There is no use even trying to describe what the film is about, except to confirm the long-standing rumor that it contains a scene in which a 70-foot-tall boll weevil chews and swallows an entire farmhouse and silo on-camera. (It is Scene 33C.)
