Latinos in Michigan (Discovering the Peoples of Michigan)

David A. Badillo

Latinos in Michigan (Discovering the Peoples of Michigan) David A. Badillo

The history of Latinos in Michigan is one of cultural diversity, institutional formation, and an ongoing search for leadership in the midst of unique, often intractable circumstances. Latinos have shared a vision of the American Dream--made all the more difficult by the contemporary challenge of cultural assimilation. The complexity of their local struggles, moreover, reflects far-reaching developments on the national stage, and suggests the outlines of a common identity. While facing adversity as rural and urban immigrants, exiles, and citizens, Latinos have contributed culturally, economically, and socially to many important developments in Michigan's history.
