## **Los Espectros: Novelas Breves (Spanish Edition)** Leonid Nikolayevich Andreyev

Cuando ya no cupo duda de que Egor Timofeievich Pomerantzev, el subjefe de la oficina de Administración local, había perdido definitivamente la razón, se hizo en su favor una colecta, que produjo una suma bastante importante, y se le recluyó en una clínica psiquiátrica privada. Aunque no tenía aún derecho al retiro, se le concedió, en atención a sus veinticinco años de servicios irreprochables y a su enfermedad. Gracias a esto, tenía con que pagar su estancia en la clínica hasta su muerte: no había la menor esperanza de curarle. Al comienzo de la enfermedad de Pomerantzev su mujer, de quien se había separado hacía quince años, pretendió tener derecho a su pensión; para conseguirla, hasta hizo que un abogado litigara en su nombre; pero perdió la causa, y el dinero quedó a la disposición del enfermo. La clínica se hallaba fuera de la ciudad. Al lado del camino, su aspecto exterior era el de una simple casa de campo, construida a la entrada de un bosquecillo. Como en la mayoría de las casas de campo, su segundo piso era mucho más pequeño que el primero. El tejado era muy alto, y tenía la forma de un hacha invertida. Los días de fiesta, para alegrar a los enfermos, se izaba en él una bandera nacional. En las mañanas apacibles de primavera y de otoño llegaban de la ciudad los sonos apagados de las campanas y el ruido sordo de los coches; pero, en general, un silencio profundo reinaba en torno de la clínica, más profundo que en la aldea próxima, donde se oían los ladridos de los perros y los gritos de los niños. Allí no había ni perros ni niños. La casa estaba rodeada de un alto muro. Alrededor se extendía una pradera, que pertenecía a la clínica y se hallaba siempre desierta. A cosa de una versta se alzaba, entre los árboles, la estrecha chimenea de una fábrica, de la que no se veía nunca salir humo. La fábrica, perdida en medio del bosque, parecía abandonada.
