## STONY MAN

Stony Man is the last line of defense in a new age of terror. The covert ops teams that make up the clandestine antiterrorist group are the elite in the field. Backed by superior cybernetic and real-time intelligence, the men of Phoenix Force and Able Team strike with relentless precision, fighting the worst the world has to offer, whenever and wherever it leads them.

## OCEANS OF FIRE

The trail to recapture stolen Russian nukes puts Stony Man on a mission that's turning suicidal. Using covert and hardball tactics, the nukes are traced to a source inside the Middle East, but it's soon discovered that the Arab extremists are merely financiers in an operation laced with wrong turns, double-dealings and the changing face of an enemy clever enough to stay one step ahead. Stony Man is up against a deadly chimera: Russian *mafia*, Afghan warlords and a mysterious German corporate magnate whose desire for revenge threatens to wipe America's eastern seaboard off the map.
