This revision guide provides concise coverage of the central topics within Developmental Psychology, presented within a framework designed to help you focus on assessment and exams. The guide is organised broadly chronologically, but with a topical focus in tune with the majority of courses. Sample questions, assessment advice and exam tips drive the organisation *within* chapters so you are able to grasp and marshal your thoughts towards revision of the main topics. Features focused on critical thinking, practical applications and key research will offer additional pointers for you in your revision process and exam preparation.

A companion website provides supporting resources for self testing, exam practice, answers to questions in the book, and links to further resources.
