Sky Island (Dover Children's Classics)

L. Frank Baum

Sky Island (Dover Children's Classics) L. Frank Baum

This captivating tale by the "royal historian of Oz" recounts the further adventures of a little girl named Trot and Cap'n Bill, an old sailor, after their visit to the Sea Fairies. A remarkable fairyland in sky country, Sky Island turns out to be a place that Trot, Cap'n Bill, and their friend — a little boy nicknamed Button-bright — were glad to leave after having experienced some unpleasant moments there. Transported by a magical umbrella that whisks the three travelers off to this island in the sky, they meet the six snub-nosed princesses, discover the King's treasure chamber, encounter a blue wolf, meet Tourmaline the poverty Queen and Rosalie the Witch, and eventually make the long journey home. A charming addition to Dover's successful line of Oz books, this volume will delight long-time Oz fans as well as newcomers to L. Frank Baum's realms of fantasy.

In a situation you wish to purchase the e-book, you can available their official web-site in addition to order it. Have a nice learn.

Daniel Young:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Sky Island (Dover Children's Classics) can make you really feel more interested to read.
