The team, rather than the individual, is increasingly seen as the building block of organizations and a key source of competitive advantage. Despite this, not enough is understood about how to build successful teams in modern organizations.

*The Essentials of Teamworking* broadens this understanding by offering a selection of key chapters on teamwork from the *International Handbook of Organizational Teamwork and Cooperative Working*. This concise paperback edition reveals the complexity of teamwork and offers empirically based guidance on how teamwork can be effectively developed in modern organizations.

Bringing together leading international scholars, *The Essentials of Teamworking* offers challenging perspectives on teamwork that will inform future research and practice. It is an invaluable resource for professionals, researchers and students alike.
