The community of Daybreak survived the war. Can it survive the peace?

After the war, James Turner and the other men of Daybreak return home to find that war has changed their Utopian community forever. Charlotte Turner, Marie Mercadier and the other women they left behind survived raiders and bushwackers, raised up children, and survived on little more than dogged determination. Now that the men are back-those who fought for the North and those who fought for the South-the community must somehow put the past behind them. But some carry scars too deep to heal, and others carry hate they have no intention of letting go.
