## **Working Together in Theatre: Collaboration and Leadership** Robert Cohen

Robert Cohen draws on fifty years of acting, directing and teaching experience in order to illustrate how the world's great theatre artists combine collaboration with leadership at all levels, from a production's conception to its final performance. This book challenges the notion that creating brilliant theatrical productions requires tyrannical directors or temperamental designers. Viewing the theatrical production process from the perspectives of the producer, director, playwright, actor, designer, stage manager, dramaturg and crew person, Cohen provides the techniques, exercises and language that promote successful collaborative skills in the theatre.

Collaboration is vital to successful theatre making and *Working Together in Theatre* is the first book to show how leadership and collaboration can be combined to make every theatrical production far greater than the sum of its many parts.
