Alien vs. Predator (Penguin Poets)

Michael Robbins

Alien vs. Predator (Penguin Poets) Michael Robbins

The debut collection of a poet whose savage, hilarious work has already received extraordinary notice.

Since his poems first began to appear in the pages of *The New Yorker* and *Poetry*, there has been a lot of excited talk about the fresh and inventive work of Michael Robbins. Equal parts hip-hop, John Berryman, and capitalism seeking death and not finding it, Robbins's poems are strange, wonderful, wild, and completely unlike anything else being written today. As allusive as the *Cantos*, as aggressive as a circular saw, this debut collection will offend none but the virtuous, and is certain to receive an enormous amount of attention.
