**Flores (Libros De Arte / Books of Art) (Spanish Edition)** Victoria Charles

Las flores constituyen el elemento fundamental en la mayoría de las representaciones pictóricas de naturalezas muertas. Al trazar sus formas y colores, numerosos artistas desde Brueghel a O'Keeffe han creado símbolos tanto de vida como de mortalidad. Los girasoles de Van Gogh, los nenúfares de Monet y los ramos de Matisse permanecerán en nuestra memoria para siempre. La mayor parte de los trabajos incluidos en Flores son verdaderas obras maestras que, a menudo, han marcado estilos y épocas enteras. Con el formato práctico y compacto característico de Mega Square, este título constituye un regalo ideal.
