Every "period" in modern comics history has had its anthology that tapped into the zeitgeist and foreshadowed a new "generation" of cartoonists (Zap in the '60s; Arcade in the '70s; RAW and Weirdo in the '80s, etc.). For the new millennium, there is MOME. This accessible, reasonably priced quarterly book will run approximately 136 pages per volume and spotlight a regular cast of a dozen of today's most exciting cartoonists. Designed by acclaimed designer and cartoonist Jordan Crane, MOME will feature an iconic design and consistent format that should quickly establish the anthology as the most distinctive and accessible anthology of literary comics available.
