Agent of Equilibrium N.J. Mercer

The gift had always been with him. But only now was he beginning to understand it. Sent by his mysterious benefactors to investigate a series of powerful psychic disruptions, Johnny crosses paths with the deadly Disciples of Disorder and suddenly more than just his life is at stake. It's the very nature of Earth. Travelling north and confronting beings whose existence he couldn't even have imagined, he discovers the Equilibrium that preserves all life in its current state, and learns of the terrifying forces that seek to overturn it. This journey will expose Johnny and his loyal companions to the fantastic, the sublime and the depraved. It will ultimately reveal to him the hidden conflict that defines reality itself. AGENT OF EQUILIBRIUM is a work of epic urban fantasy, combining elements of science fiction, horror and the occult. It will take you on a white knuckle ride through darkness and hope. It might even alter your perception of the world you think you know.
