*He was everything she despised in a man. Rich. Cocky. Patronizing. Domineering. Morally righteous and too handsome for his own good-- or anyone else's.*

*And she was under his control. Completely. All-consumingly. Tangibly.*

*Unbreakably.*

Superthief Samantha never thought that breaking into multi-billionaire Andrew Easton's mansion would be easy. What she never could have anticipated was that she would be caught the moment she put her latex boot over the threshold.

Samantha's superpowered reflexes have made her the most high-profile catburglar Passion City has ever known. But Andrew Easton has a different set of powers-- powers that allow him to break into Samantha's mind as easily as she might crack a safe.

Andrew Easton is calculating, painfully charming and better looking than any man with that much money has any right to be. Worse, the moment that he opens his mouth, he has Samantha jumping at his every command-- literally. Andrew's ability to bend Samantha's will is uncanny, but his power to discover her every desire and turn it into reality is achingly dangerous.

Andrew can control Samantha in ways that no one ever could. But as she finds herself fulfilling his every demand and falling helplessly under his influence, will she find herself landing back on her feet-- or will her free will be lost for good?

This 7,200-word erotic short involves dark fantasies and rough sex as Samantha is taken by Andrew in the most complete sense of the word. If you're into explicit oral, vaginal and anal sex, mental domination, supernatural BDSM, submissive begging and wave after wave of coerced orgasms, this book is definitely for you.
