With its 5,000 word coverage, this invaluable book covers all the basic vocabulary needed for vocabulary building, conveniently arranged by topic for easy reference. Within each topic, the words are further graded according to level of difficulty. The wordlist has been fully updated to include recent developments like the Internet. And of course, German spelling reform has been fully implemented. Each section is completed by a series of example phrases illustrating the German constructions and idiomatic usage. An index of all the words listed, reorganized by parts of speech, provides a quick reference tool, as does the full English index of nouns.
