L'isola che forse c'è... (Italian Edition) Raffaele Montella

Ventotene, scenario incantato e al tempo stesso familiare delle mitiche avventure estive di Raffaele: lo sbarco nel Porto Romano, i tuffi con la bici, le guerre con le pistole ad acqua, le canzoni stonate al cielo e le notti sotto le stelle passate in silenzio, guardando il mare.

Nel suo racconto a una ragazza incontrata per caso prendono vita i luoghi, i personaggi, gli eventi di un'Isola capace di far sognare, di far sorridere, di conquistare con la sua magia.
