Religion and the Constitution, Volume 1: Free Exercise and Fairness Kent Greenawalt

Balancing respect for religious conviction and the values of liberal democracy is a daunting challenge for judges and lawmakers, particularly when religious groups seek exemption from laws that govern others. Should members of religious sects be able to use peyote in worship? Should pacifists be forced to take part in military service when there is a draft, and should this depend on whether they are religious? How can the law address the refusal of parents to provide medical care to their children--or the refusal of doctors to perform abortions? *Religion and the Constitution* presents a new framework for addressing these and other controversial questions that involve competing demands of fairness, liberty, and constitutional validity.

In the first of two major volumes on the intersection of constitutional and religious issues in the United States, Kent Greenawalt focuses on one of the Constitution's main clauses concerning religion: the Free Exercise Clause. Beginning with a brief account of the clause's origin and a short history of the Supreme Court's leading decisions about freedom of religion, he devotes a chapter to each of the main controversies encountered by judges and lawmakers. Sensitive to each case's context in judging whether special treatment of religious claims is justified, Greenawalt argues that the state's treatment of religion cannot be reduced to a single formula.

Calling throughout for religion to be taken more seriously as a force for meaning in people's lives, *Religion* and the Constitution aims to accommodate the maximum expression of religious conviction that is consistent with a commitment to fairness and the public welfare.

Eugene Ruano:

Precisely why? Because this Religion and the Constitution, Volume 1: Free Exercise and Fairness is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who else write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

Ann Amos:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore, this
