**Women in Medicine: Getting In, Growing, and Advancing (Surviving Medical School Series)** Janet Bickel

**Women in Medicine** is a concise, practical resource for anyone considering a medical career, but especially women. Drawing on all the best available literature and the experience of thousands of women doctors, the book covers: getting into medical school; overcoming gender stereotypes; finding a mentor; combining parenting with a career; and maximising career development.

The author also offers tips on building key professional skills, and a self-diagnostic section for readers who are preparing to begin a medical career.
