Ants. Fun Facts and Cool Pictures. Animal Photo Books for Kids.

## **What is in the book...**

**Fun facts.** Designed for kids, but adults love'em too!

**Brilliant photos.** Each page has a brilliant, crisp photo. Colorful pictures, taken close-up.

**Questions kids love (with answers!).** Is that hair? Do ants notice me when I walk near them? Do ants hibernate in winter?

## **Who is this book for...**

**For adults who want to read to their children.**

**For children age 3 - 5.** "Ants. Fun Facts and Cool Pictures for Kids" is a great book to share with your 3 – 5 year old at bedtime. Young children love looking at the professional photographs. They love asking questions too.

**For children age 5 - 8.** Many readers this age prefer the books in this series in place of a bedtime story. A photo book with funny facts is a nice change of pace from story books with drawings. Photo books combine elements of reality and wonder at the same time.

**For children age 9 - 12.** At about 2,000 words, this book has enough to keep your child challenged and interested.

For girls AND boys. If your child is curious about the world and nature, then this is the book for them!

Mayrose's animal books for kindle are an easy way for you to share quality time with your child. At the same time, you both can marvel at the wonders of nature.

## **The World's Toughest Critics Have Spoken**

"Mama! Look, it's an ant!" - **Milagros, age 3**

“The picture one. Those are the ones I like. The ones with the pictures.” - **Jason, age 7**

“How do ants talk with each other?” - **Dante, age 9.**

## A Peek Inside

### **Ants that enjoy farming?**

Yes. Some ant colonies actually do farm. Like farmers do. But do you know WHAT they farm?

### **Ants smear themselves!**

It's true. Ants smear themselves. And each other. And their nests! Want to know why? And with what?

## Your Child Will Share With You

Perhaps the biggest joy of childhood reading is sharing. Kids share what they read. They share with their parents. They share with their siblings. And they share with their friends.

Not only that, parents share quality time with their kids when they read together.

Mayrose's mixture of fun facts, photos and Silly Stuff is a combination that will keep your family engaged and sharing with each other. This makes reading a family experience. It's why he loves writing animal books for kids.
