Chopin Complete Piano Sheet Music - Scherzos Frederic Chopin

"How will gravity array itself, if wit is already cloaked so darkly?", asked Robert Schumann in his review of Chopin's Scherzo in B minor, Op. 20. His astonishment is easily understood, since the name "scherzo" (It.) literally means "joke", whereas Chopin's scherzos are almost never humorous or light-hearted. Quite the contrary: the four expansive one-movement works to which Chopin gave the title scherzo are marked with a drama and form which were unprecedented in the genre. They are given here in chronological order:

Scherzo in B minor, Op. 20, published in 1835 (date of composition difficult to establish precisely)

Scherzo in B flat minor, Op. 31, completed 1837 and published the same year

Scherzo in C sharp minor, Op. 39, composed 1839, published the following year

Scherzo in E major, Op. 54, composed 1842-1843, published 1843
