*Literacy—it's not just for English teachers anymore!*

The new Common Core English Language Arts Standards aren't just for English teachers. Fluent reading and writing are critically important to the study of history/social studies, science, and technical subjects, too. In this practical resource, you'll use teacher-tested, CCSS-based lessons as models—and follow the principles of the Backward Design approach to curriculum development to set and meet your goals. Each lesson template includes

- The teaching strategies you'll utilize
- Ways to incorporate technology and media
- Variations for differentiation and interdisciplinary connections
- Links to the work of major educational theorists
