György Lukács

Teoría de la novela (Spanish Edition) György Lukács

***Teoría de la novela* de György Lukács es una de las obras capitales sobre teoría literaria, un ensayo filosófico esencial que supuso un punto de inflexión en el estudio de la literatura.**

Publicada por vez primera en 1916, *Teoría de la novela* es una obra cumbre de la teoría de la literatura. Mediante un análisis hegeliano de las formas griegas de la poesía épica y la obra trágica, György Lukács da cuenta de la esencia del género de la novela que se conformó siglos más tarde. De este modo, el pensador húngaro establece una relación de la que surgen aquellos atributos y procedimientos característicos de la narrativa contemporánea a través de una metodología de estudio original e inteligente. Lukács hace confluír sus vastos conocimientos de filosofía, sociología y literatura para erigir una obra que marcó un antes y un después en el desarrollo del análisis literario.

Reseñas:

«La insistencia durante toda su vida de la importancia crucial de la literatura y la cultura para cualquier política revolucionaria hizo de Lukács una figura crucial del marxismo del siglo XX.»

Fredric Jameson

«A mi entender es el primer libro en lengua alemana en el que aparecen emparejadas una ética de izquierdista orientada hacia una renovación radical y una interpretación muy tradicional y convencional de la realidad.»

Sara Sefchovich

«Lukács, el más grande filósofo del marxismo.»

Manuel Sacristán, *El País*

«El filósofo de la revolución en una época en la que ningún pensador de izquierdas se atrevía a cuestionar las bases de la democracia.»

Slavoj Žižek

«He conocido personalmente a Lukács. En Viena me habló durante una hora de sus teorías. Tenía razón en cada una de sus palabras. Aunque a su marcha dejara el recuerdo de una inmensa abstracción...»

Thomas Mann

Catherine Hershey:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many concern for the book? But virtually any people feel that they enjoy for reading. Some people likes studying, not only science book but also novel and Teoría de la novela (Spanish Edition) as well as others sources were given information for you. After you know how the truly amazing a book, you feel want to read more and more. Science e-book was created for teacher as well as students especially. Those books are helping them to add their knowledge. In some other case, beside science e-book, any other book likes Teoría de la novela (Spanish Edition) to make your spare time considerably more colorful. Many types of book like here.

Na Urquhart:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Teoría de la novela (Spanish Edition) can make you experience more interested to read.
