William Shakespeare

The Two Noble Kinsmen (Dover Thrift Editions) William Shakespeare

The king of Thebes is a tyrant but his young relatives, Palamon and Arcite, defend him anyway. The two noble kinsmen find their loyalty rewarded with imprisonment when they end up on the losing side of a battle with the great hero, Theseus of Athens. From the window of their jail they observe Emilia, the sister-in-law of their conqueror, whose stunning beauty shatters their vow of eternal brotherhood. Now the former friends must find a way to evade their captors and pursue the alluring princess, an undertaking that will conclude with a fight to the death.

First published in 1634, this Jacobean tragicomedy features a plot derived from "The Knight's Tale" in Chaucer's *Canterbury Tales*. The play was originally attributed to both John Fletcher and William Shakespeare; its association with the latter is a longstanding source of controversy that is now generally accepted by scholarly consensus.
