There is a lot in life we cannot control--a cancer diagnosis, the choices our children make, a spouse who leaves, disappointments in our career, a broken heart. But in those tragedies, big and small, we still have a choice:

Lie down and give in or stand up and fight.

In this inspiring call to arms against victimhood, Holly Wagner challenges women to enlist as Warrior Chicks. She shows women that they are beautiful just the way they are, they are destined to be overcomers in this life, and that the battle is already won for us. She shares the secrets of being equipped to fight the good fight and do more than just survive. As one who has battled many things in her life, including breast cancer, Holly shows how you can be either a casualty of the pain or a warrior who overcomes.

So what's it going to be?
