## 30 Days of Hope for Restoration in Infant Loss (Gifts of Hope Series) Maegan Roper

Your heart grieves. The tears

won't stop. You sense bitterness and anger growing in you as you struggle between grief and trying to trust God through this part of your journey. No matter how hard you try, you can't seem to find the delicate balance between your grief and faith in God for the future.

It is difficult to understand God's purpose in the death of a child. You doubt you will ever find peace, comfort, or understanding. Author Maegan Roper, who has walked this dark road, shares the light of hope she received from Christ as He restored her and brought her from grief to joy. Weaving portions of her own personal story with words of encouragement and Scripture, you'll begin to feel restored as you experience the same peace and understanding she found on her journey from loss to hope
