**A Comedy of Heirs (Torie O'Shea Mysteries)** Rett MacPherson

Amidst planning for Christmas and the annual family reunion, Torie O'Shea barely has time to indulge in her hobby, genealogical research. But preparing for the reunion--and the influx of relatives--piques her curiosity about her own family tree. When Torie discovers that her own great-grandfather was murdered, and that her great-uncle was the main suspect, she never dreams that the past history she thought was long-buried could resurface in the present in such a deadly way.

*A Comedy of Heirs* is a creative and delightful entry in MacPherson's popular series.
