Food For Friends: More Than 75 Easy Recipes from a Brooklyn Kitchen Linnea Johansson

We all dream of being the perfect host, reaching new culinary heights in the kitchen, shaking hand-crafted cocktails behind our backs, and running perfectly plated dishes—all while greeting guests with a smile. Let's face it; you would need a whole staff to make that happen!

Thankfully, Johansson's book is full of quick, smartly planned recipes that free you from the kitchen to actually spend time with your guests. Chef Linnea Johansson's tips for prepping in advance will let you enjoy a glass of wine with your friends instead of stirring sauces all night.

The "Family Style" chapter, for example, feature recipes that allow you to skip the perfectly plated dinners and create dishes you can set on the table to let guests serve themselves. "Fake It" offers tricks for those times you just stepped through the door and guests are due in an hour and "Late Night Bites" hits on even quicker recipes that you can whip up in ten minutes at the end of a dinner party or for an unexpected, late night get-together.

Food For Friends will be your go-to cookbook for those times when you want to cook a great meal for friends and family while also wanting to enjoy their company.

Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
