Something's not right at Baillie's popular used bookstore in rain-soaked western Washington and frigid, heart-stopping air is her first clue. When the cat refuses to enter the shop and Baillie hears faint bagpipes in the travel book section, her nerves are rubbed raw.

Meanwhile in Scotland, the heir of a local castle falls to a suspicious death. An evil banker claims ownership of the castle, leaving the staff to ponder their fate.

How are these events connected? The answer lies in a *Ghost and Mrs. Muir* tale, twenty-first century style that flips the table with a ghostly twenty-seven-year-old hunk, Lord Kai, and fifty-something bachelorette Baillie. Her gay best friend Gillian Nation and his girls dash to Scotland to Baillie's rescue when the combination of alcohol, villainous banker, DNA, and good old-fashioned jealousy throw Baillie into the fight of her life. Will she choose to reclaim her normal Northwest existence or grab onto an unorthodox love that makes life magical and breath-taking?

**This is a new release of a previously published edition.**
