La dama boba (Biblioteca Universitaria de Bolsillo) (Spanish Edition) Lope de Vega

Como lo ha señalado repetidamente la crítica, esta comedia trata acerca de la fuerza transformadora que tiene el amor en la vida humana. Esto se inscribe dentro de la visión neoplatónica que concibe que el amor es el principio que anima el universo entero y establece un vínculo que crea la armonía entre todas las cosas. Se pone en escena el poder que tiene tal sentimiento para cambiar al ser humano y ayudarlo a mejorar. Paralelamente, al tiempo que el amor eleva el espíritu y lleva a la contemplación de la belleza divina a partir de la belleza humana, también es cierto que no se puede prescindir de la sensualidad.
