La masonería española en filipinas tomo 2 (Escuadra y Compás) (Spanish Edition) Susana Cuartero Escobés

La publicación de La Masonería Española en Filipinas viene a cerrar el ciclo del estudio de la masonería ultramarina española. Si Cuba y Puerto Rico fueron protagonistas de la crisis colonial de finales del siglo XIX, no hay que olvidar que cronológicamente Filipinas les precedió y cobró protagonismo especial. Susana Cuartero con mano maestra nos va introduciendo en la más lejana de las masonerías españolas, que en la segunda mitad del siglo XIX se mantuvo con rara fidelidad unida a la metrópoli, y que en el primer tercio del siglo XX, tras la independencia, prefirió seguir dependiendo de la masonería española, en lugar de hacer-lo de la de Estados Unidos, verdaderos dueños y beneficiarios de Filipinas tras su segregación hispana.
