A Summer to Remember Victoria Connelly

Escape deep into the English countryside in this perfect summer's day read. Fans of Alexandra Potter and Katie Fforde won't be able to resist.

Nina Elliot is tired of her life. She's not sure how it happened but, somewhere along the way, she lost track of where it was all going.

So one fateful day, she makes a brave decision: she's going to leave it all behind. Taking a job deep in the English countryside, Nina does just that. Ensnared at the Old Mill, she settles into daily life with the Milton family, where she works as a researcher for author Dudley.

With endless summer days stretching out ahead of her, Nina couldn't be happier. But her quiet life is soon interrupted when the handsome Milton boys return home – for they plan to make sure this really is a summer to remember...

Relax and enjoy a breath of warm summer air with every turn of the page in the delightful new novel from Victoria Connelly - bestselling author of 'Wish You Were Here'. Perfect for fans of Katie Fforde and Alexandra Potter.

From reader reviews:

David Unruh:

In this 21st one hundred year, people become competitive in each and every way. By being competitive currently, people have do something to make them survives, being in the middle of the crowded place and notice by simply surrounding. One thing that at times many people have underestimated that for a while is reading. Yeah, by reading a e-book your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading the book, we give you this A Summer to Remember book as beginner and daily reading guide. Why, because this book is more than just a book.

Dollie Simmons:

Do you one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys this specific aren't like that. This A Summer to Remember book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to offer to you. The writer regarding A Summer to Remember content conveys objective easily to understand by many people. The printed and e-book are not different in the information but it just different by means of it. So , do you continue to thinking A Summer to Remember is not loveable to be your top checklist reading book?

Frances Sitz:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this A Summer to Remember.

Lee Long:

People live in this new morning of lifestyle always try to and must have the free time or they will get lot of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not really a robot. Then we request again, what kind of activity do you have when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, the particular book you have read is actually A Summer to Remember.
