**Las mujeres que no amanban a los hombres (Sociedad Actual (almazara)) (Spanish Edition)** Diego de los Santos Parejo

Cuando más del 12% del total de reclusos en las cárceles españolas lo son por aplicación de la Ley de Violencia de Género, cuando esta norma acumula más de doscientos recursos de inconstitucionalidad —algo insólito en la historia de nuestra democracia—, cuando prestigiosos juristas afirman que dicha ley viola el principio constitucional de igualdad, el derecho a la presunción de inocencia, a la dignidad de la persona y a la tutela judicial efectiva, cabe concluir que algo muy grave está ocurriendo. Una de cada cuatro separaciones se articula a través de denuncias por «malos tratos». El varón nace culpable y se le somete a una sistemática discriminación en sus derechos esenciales, discriminación amparada en la neo «perspectiva de género». Este libro explica muchas de las situaciones inverosímiles que se han convertido en norma en la sociedad española del siglo XXI. Un nuevo fundamentalismo radical, el feminismo «de género» aliado con el poder político, está en su origen, y el retroceso al que asistimos en materia de derechos fundamentales no tiene parangón en nuestro entorno occidental. Los ciudadanos deben ser conscientes de que las soluciones no vendrán desde la esfera política. Solo la sociedad civil, con su reacción, puede impedir que lo «inverosímil» se adueñe definitivamente de nuestras vidas.
