LOS SEÑORES DE LOS SUEÑOS

Raquel Pagno

Existe un universo paralelo dentro de los sueños. Existen seres capaces de invadir la mente, criaturas mitológicas, perdidas en el olvido.

Lorena pensaba que estaba enloqueciendo. Todas las noches, su archienemigo, Hank Hirano, invadía sus sueños para sobresaltarla. Como si no fuera suficiente con tener que soportarlo en las clases de Educación Física, el profesor de ahora lo transformaba en su compañero en las clases de Biología, durante todo el trimestre.

Ella no soportaría su presencia si no fuera por el hecho de que Hank le había confesado que tenía sueños idénticos a los de ella. La curiosidad de Lorena, sumada a las excelentes notas de Hank en Biología, eran motivos suficientes para aguantarlo algunas horas por día.

La búsqueda de respuesta lleva a Lorena a un universo totalmente desconocido, en el que los humanos y los kitsunes, los famosos zorros de nueve colas, son al mismo tiempo aliados (al crear la peligrosa organización de los Señores de los sueños) y enemigos mortales.
